

On-Site Training & Project Participation

Available Globally

Daily Rate (weekday): \$2,000

Daily Rate (holiday/weekend): \$3,000

Weekend Stay-Over Rate: \$1,000

Notes: All travel expenses will be invoiced at cost; daily rate is for approximately 8 hours of work; weekend stay-over is charged when consecutive days of work are connected by a weekend - no work is completed on these days, however any travel expenses will be invoiced.

Remote Training & Project Participation

Hourly Rate: \$250

Notes: Training packages will be configured based on needs, with hours being spread over time as is appropriate to meet objectives. Project packages will be calculated based on estimates of hours required to complete the project based on clearly defined scope and agreed upon timelines.

On-site meetings and activities are possible, and will be invoiced at the on-site rate noted above.

Content Creation

Hourly Rate: \$200

Notes: Content packages will be calculated based on estimates of hours required to complete the project based on clearly defined scope and agreed upon timelines.

On-site meetings and activities are possible, and will be invoiced at the on-site rate noted above.

All prices are in CAD
